

1. Seller (or exporter) posts his company information and product photos (together with descriptions, specifications, shipping terms, etc.) on Trademal.
2. Buyers (or importers) search and browse the seller's products and then make inquiries to negotiate or place orders.
3. To sell or buy at **Trademal.com**, you will need to [register now](#) as a member.

\* We suggest that you use a genuine and complete company name, such as **"Best Furniture Sdn. Bhd."** which is much better than just **"Best"**, for example. Whenever customers search **"Best"** or **"Furniture"**, it will be displayed on the search results and be priority-ranked.
